

**Pre-qualification Invitation for the 2nd Generation Automatic
Bus Stop Announcement and Data Logger System and
Real-time System (“RTS2”) (the “Pre-qualification”)
(Tender Reference No.: PD/PQ/2015001)**

Citybus Limited and New World First Bus Services Limited (collectively the “Companies”) would like to invite interesting party to participate in the captioned Pre-qualification exercise. This exercise aims at short-listing qualified tenderers who are financially and technically capable of participating in the tender for the RTS2 of the Companies.

Interesting party shall have relevant design and development experience and job reference in the following functionalities:

- Automatic Bus Stop Announcement,
- Data Logger,
- On-board WiFi to communicate with the bus depot WiFi infrastructure, and
- Real-time System such as bus tracking, Estimated Time of Arrival prediction, text and voice messaging, etc.

Interesting party shall be at its own cost in preparing and participating in this Pre-qualification exercise and shall be able to:

- submit the relevant job references,
- demonstrate the system user interface and portal of the job references, and
- install a sample device on a bus of the Companies for conducting site test of aforementioned functions in order to proof its technical capability.

Should you be able to fulfil the aforementioned criteria and wish to participate in the Pre-qualification exercise, please e-mail your request for Pre-qualification documents to ivywong@nwst.com.hk before **2:30 pm on 31 October 2015 (Hong Kong Time)**.
